

EDWARD A. CUDAHY

Leader in the Financial, Commercial and Business Life of Chicago

## EAGLETS.

City Clerk James T. Igoe gives satisfaction to the public.

J. W. Dear, the popular president of the American Sewer and Drainage Construction Co., at 2816 N. Washenaw avenue, is one of the progressive men of Chicago. Always interested in the city's welfare, he is a booster of its interests and is always at the fore front of every movement for bettering the condition of his fellow citizens.

Dixon C. Williams, one of the finest orators in the Democratic party is growing in popularity. He would make an ideal member of congress if he would consent to run for the office.

The leading members of every society and club in Chicago read The Eagle.

Frank A. West has been appointed by Mayor Thompson and confirmed by the city council as a member of the board of stationary engineers. A better appointment could not have been made. Mr. West, who served with credit on the state board of equalization is one of the most popular citizens of the north side.

Automobilists who flash their "bright lights" in the eyes of pedestrians and other motorists cause most of the auto accidents.

Frank H. Elmore, one of the most popular men in the financial and banking world, who was formerly connected with the Continental & Commercial National Bank, is now president of the rapidly growing Bank of Commerce & Savings. The Bank of Commerce & Savings is located at Michigan boulevard and Washington street, close to the heart of Chicago's shopping center.

John T. Driscoll has done much towards the upbuilding of Chicago and especially of the great West Side. An extensive property owner himself, he has always been foremost in every movement tending to further the interests of the city or of his fellow citizens. No man is more respected and no man asks for less.

P. J. Sibley, of the Fountain Pen Shop, at 31 N. Dearborn st., is often mentioned for Clerk of the Superior Court. His popularity would insure his election if he would make the race.

Judge George B. Holmes is gratifying his many friends with the fine record he is making on the Municipal court bench.

Judge John R. Caverly gives general satisfaction to the public in the Municipal Court and grows more popular every day.

Otto Kerner, the well known lawyer and popular master in chancery is so frequently mentioned for Judge of the Municipal Court that his friends who are legion are hoping that he will make the race. No man is better equipped for the place, either by training or ability. His proven courage, uniform courtesy and judicial temperament fit him for the bench.

If the Aldermen would investigate the Department of Public Service they might discover one cause for the very high tax rate.

Coroner Peter M. Hoffman is always alert in looking after the interests of the people.

William H. Lyman, the popular former senator and alderman, is at the head of the big public contracting firm of W. H. Lyman & Co.

Harry C. Mohr, the popular manager of the Morrison Hotel, is a public spirited citizen who is always boosting Chicago.

The City Council wants to find out the high cost of living. Profiteers may find out also before the Aldermen get through with them.

John H. Mack, the chief deputy county clerk, is a credit to County Clerk Switzer and an efficient officer of whom the people are proud.

Thousands of Chicago soldier boys need jobs. What's the matter with giving them places in the City Hall. Some of the barnacles have been there too long. They think the city belongs to them.

"As an Educational subject, Music is essential, and every boy and girl should have the opportunity to enoble and refresh his mental and spiritual self, sensitizing a keen appreciation of the beautiful through the beautiful."

## NATIONAL SCHOOL OF MULTIGRAPHING A BUSINESS NECESSITY

The National School of Multigraphing, at 1103 Lytton Building, is of great value to the business community. The service that it gives saves hundreds of thousands of dollars to firms and individuals who use multigraphing in their business. And the number who use multigraphing is constantly on the increase.

## SWEITZER CALENDAR

Here is a taxpayers' calendar for taxpayers compiled by County Clerk Robert M. Switzer.

In brief it is as follows:

Jan. 2—General taxes become due.

March 11—All general taxes and special assessments payable to county collector except Chicago special assessments.

April 1—General taxes and special assessments are delinquent and advertised. Chicago special assessments advertised after Aug. 1.

May 1—Interest at 1 per cent added to delinquent taxes.

July term—Application for judgment and order of sale of property of delinquent taxpayers.

July 1—Objections to judgments in writing received.

Aug. 1—Tax sale of real estate begins.

Penalty for redemption tax sales may be as high as 6 per cent, added to taxes or assessments each six months after sale. Property may be redeemed any time within two years after sale at office of county clerk.

Owen O'Malley, popular former county commissioner and leading cigar dealer at 137 North Clark street, is making a good record as commissioner of the Forest Preserve.

Louis J. Behan, the well known lawyer and popular master in chancery, is frequently mentioned for a place on the Superior Bench. Every one who knows him believes that he would make a fine judge.

Among American music educators Mr. and Mrs. Oscar Deis are in the very front rank. On principles of psychology and modern pedagogy they conduct the work of their school where piano playing as an art is taught exclusively.

Congressman James McAndrews is making a good record.

John B. Knight of 72 West Washington street is one of the leaders in the real estate world.

William H. Weber always made a good public record.

Adam Wolf, the popular county assessor, is an ideal public official.

## ABOLISH THIS JOB

The Department of Public Service is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished.

It is an unnecessary nest of sinecures.

The biggest sinecure in it is the job of commissioner.

A visit to his office may disclose this fact.

This department's cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Let us laugh.

Everybody knows what a joke this department is and how little it does.

William C. Niehoff would make a good County Commissioner. No man is better posted on public affairs.

Adam Orselt, one of the best of Chicago's City Treasurers, would make a good State Treasurer.

Coroner Peter M. Hoffman is one of the most popular public officials in Illinois.

The city department of gas and electricity never was in better hands than it is now. William G. Keith, the commissioner, is an able, honest, and progressive man.

A new bulletin of information of the Oscar Deis School of Artistic Piano Playing is just off the press. Write for same, 218 South Wabash avenue.

Otto Rueter, the leader among Chicago real estate subdividers, has opened a new office at 32 North Dearborn street. It is encouraging to the real estate world as well as to the property owners and prospective buyers to see Mr. Rueter blazing the way to a big trade with the finest real estate office in Chicago on the ground floor of a big building on a prominent loop street.
